Subject: BMW NC (MNC Holdings) FA

Larry,

The Section has received Financial Assurance (FA) mechanisms in the form of an Irrevocable Standby Letter of Credit and Standby Trust Agreement covering closure costs in the amount of \$68,000. Therefore, the FA requirements for the BMW NC, Inc. (MNC Holdings, L.L.C.) Incinerator, Permit number 60-09, are currently satisfied.

Thanks,
Allen
